

Accommodation Cleaning and Disinfection Procedures

- All cleaners will be wearing masks & gloves when inside the vacation rental
- We will be using a spray disinfectant that has a Drug Identification Number (DIN) and follow product label for dilutions and, contact time required to be effective and safe use
- Our cleaning team will be opening all the windows while they are cleaning to get air flow through the house
- All surfaces will be disinfected and sanitized: We will be making sure to wipe down everything including light switches, doorknobs, remote controls etc.
- All linens and towels will be cleaned and sanitized prior to your stay
- Couches and chairs will be vacuumed and sprayed prior to your stay
- Kitchen: toasters, coffee makers, all appliances will be wiped down and sanitized
- Bathrooms: showers, tubs, toilets and sinks will be disinfected and sanitized including all faucets, switches, handles, floors

We also ask that our guests make sure that everyone they are travelling with is healthy and have not been in contact with anyone that has or may have Covid-19. Please follow these guidelines while you are travelling and staying here in Prince Edward County:

Self-Protection Guidelines

1. Stay at home if you are sick to avoid spreading germs to others
2. Practice diligent hand hygiene always. Wash your hands regularly with plain soap and warm water for at least 20 seconds or use alcohol-based hand sanitizer with no less than 60% alcohol content (ideally 70%)
3. Practice Cough Etiquette. Cough into your elbow or cover your mouth and nose with a tissue which is immediately disposed of in an appropriate waste bin and wash your hands immediately.
4. Maintain a two-meter distance from others.
5. Do not touch your eyes nose or mouth with unwashed hands
6. Do not share food, drinks, utensils
7. Avoid touching the personal items of others. Wash hands or sanitize immediately if you do.

Staying in a Vacation Rental this season may look and feel different than it has in the past. Generally, vacation rentals are stocked up with coffee, tea, spices, board games, books, all things to make your stay feel more like home. Unfortunately, with the current state, many of our homes are not going to offer these items as it will be too hard to disinfect these items and keep our guests safe.

TRAVELLING TIPS

- Bring your own groceries and supplies: we ask that you shop in your hometown prior to coming to Prince Edward County.
- If you are bringing your own linens, please advise us so that we can communicate with our cleaning team and we will leave the beds unmade for your convenience.
- Have sanitizer in your vehicle and/or purse so that you can be able to disinfect wherever you go
- Bring your own toiletries. Some homes may have single use shampoo/conditioner provided but that will not last a week.
- Make sure you bring games and books; in case you have a rainy day. Some of our homes may no longer be supplying these items for safety reasons.
- Many establishments will be operating at a very minimal occupancy: you will have longer wait times to get into stores, restaurants, and wineries. Please plan accordingly.
- Sandbanks Provincial Park: if the park is open for visitors please be mindful of their rules and regulations. In addition, there will most likely be limitations on guest count at the park to adhere to provincial physical distancing measures, please plan accordingly as there may be long line ups.
- We also ask that you are very polite and respectful to all staff working at any establishment in Prince Edward County. They are all doing their best to keep you, your family and themselves safe during these uncertain times. We thank you in advance for your patience and consideration.

The Team at Sandbanks Vacations & Tours hopes you have a fun and relaxing vacation while you are staying with us!
